Details for Discovery Events

Guests traditionally arrive the evening before the first day of a Plunge and either leave the evening of the second day or the day after.

The drive duration between MSP international airport and either Hope Academy or downtown hotels is between 20 minutes with low traffic and 45 minutes in high traffic. We do have a few hotels we recommend:

- [Holiday Inn Express and Suites – Downtown Minneapolis](#)
- [Hilton Garden Inn – Downtown Minneapolis](#)
- [DoubleTree Suites by Hilton](#)

Aside from hotels for lodging, guests can investigate [AirBnB](#) or [Vrbo](#) options.

As far as food and drink goes, we always provide breakfast, lunch, and snacks during the published event times. Sometimes we also cover a special dinner together. This is included in the *\$120 registration cost* (non-refundable). You will cover your travel and lodging.
